Our Ref: NIRU-2/GB204859067000

Dear Sir/Madam,

Inward Processing Relief (Suspension) using a Simplified Authorisation

EPU:060 Entry:001582K Import Date:05/10/10
Agent:WILGO FREIGHT SERVICES LTD Agent's Reference:IM36920B

Our records show that on the above date goods were imported by your company into the UK under the IP scheme and duties and taxes on the goods were suspended.

The IP scheme requires that to retain entitlement to duty suspension:

1. You must use Customs Procedure Code 31 51 000 on your export documentation when you re-export the goods from the EC.
2. Export must take place before the end of the throughput period and this is normally within 6 months of the import date. In exceptional circumstances this period may be extended if a written request is sent to NIRU.
3. You must send NIRU a Bill of Discharge (C99) within 30 days following the end of the throughput period.

Our records show that the throughput period for the above import has expired.

You are therefore required to provide a Bill of Discharge (C99) to NIRU within 30 days of the end of the period. If you do not complete these actions you will automatically be charged for the duties and taxes suspended on entry.

NB - The C99 template and further information on the obligations of this relief can be found at www.hmrc.gov.uk under Customs Notice 221A.

If you have any queries please contact your AGENT, quoting the entry number at the top of this letter.

Yours Sincerely

NIRU
